All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

Charges which appear to be unreasonable will be resolved in accordance with Code of Virginia, § 2.2-4363 and -4364. Upon determining that invoiced charges are not reasonable, the Commonwealth shall notify the contractor of defects or improprieties in invoices within fifteen (15) days as required in Code of Virginia, § 2.2-4351,. 2. To Subcontractors:

- a. Within seven (7) days of the contractor's receipt of payment from the Commonwealth, a contractor awarded a contract under this solicitation is hereby obligated:

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
 3. Each prime contractor who wins an award in which provision of a SWaM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWaM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
 4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.

The Commonwealth further reserves the right to reject any (bid/proposal) if the evidence submitted by, or investigations of, such (bidder/offeree) fails to satisfy the Commonwealth that such (bidder/offeree) is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.
- M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

If the Purchasing Agency decides to issue a notice that requires an adjustment to compensation, the contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:

- a. By mutual agreement between the parties in writing; or
 - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the contractor's records and/or to determine the correct number of units independently; or
 - c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia Vendors Manual. E. MIGRANT AND SEASONAL AGRICULTURAL WORKER PROTECTION ACT:

1. In 1987 a federal Circuit Court of Appeals issued a national injunction making tree planting contractors subject to the Migrant and Seasonal Agricultural Worker Protection Act. This ruling went into effect nationwide on January 7, 1988. The U.S. Department of Labor (DOL) is empowered to enforce the act. The act provides protection for migrant and seasonal workers in terms of their pay and the transportation and housing which the Contractor may provide.

Under this act, any person performing the duties of a tree planting contractor is required to obtain a Certificate of Registration from the DOL. Also, any employee of a registered tree planting contractor who is engaged in transporting planting labor on behalf of such contractor must obtain a Farm Labor Contractor Employee Certificate of Registration authorizing such activity. The employee's certificate must show the name of the planting contractor for whom this activity is to be performed, the type of vehicle to be used for transport, and the inclusive dates for which the employee will perform this activity. Finally, if the Contractor agrees to house crew members, the housing must be inspected and approved by the county health department prior to occupancy.

Each registered contractor and contractor employee as described above must carry at all times while engaging in planting activities his/her Certificate of Registration or Farm Labor Contractor Employee Certificate as appropriate, and upon request shall exhibit that certificate to all persons with whom he/she intends to deal in an official capacity.

Application forms may be completed with the assistance of the Farm Placement Specialist at any Virginia Employment Commission Office. The U.S. Department of Labor will in turn issue a certificate to the applicant.

2. REQUIREMENT OF THE ACT EFFECTING THE LANDOWNER

The Act requires the tree planting contractor to make and keep the following records for each worker (regardless of the size of the crew) including name, permanent address, and social security number: (1) The basis on which wages are paid; (2) The number of piece work units earned if paid on piece work basis; (3) The number of hours worked; (4) The total pay period earnings; (5) The specific sums withheld and the purpose of each sum withheld; and (6) The net pay. Each worker must be paid at or above the federally established minimum wage. The Contractor must preserve all payroll records with respect to each worker for a period of three years. The Contractor must also provide the landowner with copies of all payroll records for that planting job which the Contractor is required to retain. The landowner is also required to keep these records for a period of three years.

The Act prohibits any person from utilizing the services of a tree planting contractor without first taking reasonable steps to determine that the Contractor possesses a valid Certificate of Registration. Since the Department of Forestry acts as intermediary for many landowners, the department should notify landowners for whom trees are to be planted of this requirement. Landowners employing contractors who do not possess a Certificate of Registration are in violation of the Act and could be faced with Department of Labor penalties.

Exemptions: Persons Not Subject to the Act

- a. A landowner who performs the contracting activities on his/her own behalf, i.e., recruiting, hiring, transporting, and paying each planter directly.
- b. A person who engages in tree planting contracting activity solely within a 25-mile intrastate radius of his/her permanent place of residence and for not more than 13 weeks per year. However, if the Contractor solicits workers from a distance greater than this 25-mile limit, he/she is then subject to the Act.

V. PRICING SCHEDULE

- A. The Department may request planting on more acreage than called for in Attachment 3, and associated maps. The additional acreage will not exceed more than 25% of the acreage, without mutual consent of the Contractor. This agreement for additional acreage will be subject to the time of planting specified in Section II.C.
- B. The price in effect for this contract will be \$_____ per acre.

VI. PERFORMANCE

- A. The Contractor will be notified of unsatisfactory work within one week after inspecting the planting. Restitution will be made in the form of nonpayment, partial payment or replanting. The form used will be the decision of the Department.

REPLANTING - When replanting is required, it will be the responsibility of the Contractor. The Contractor may contract with another qualified contractor to accomplish the replanting with the written consent of the Department in the same planting season.

- B. NON-PERFORMANCE PROVISION: The Contractor will pay the Department \$20 per acre for each area not planted as agreed upon in the contract.

Weather conditions cannot be used as a reason to not fulfill this contract.
